Do you want to know how
YOU can fatten your bank account, too?
Just ask Jeremy!

From: Jeremy Vinup, Leadership Team Innovator

Dear Friend,

This is your moment to change EVERYTHING around you – and you know what I mean by “EVERYTHING.” Don’t just sit there and let the high cost of an impending recession close in on you. Act now to turn around EVERY financial bind you’re experiencing... before it’s too late!

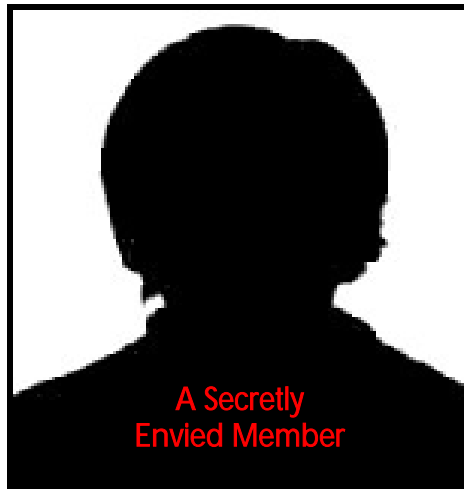

Here’s where WE are, and I’ll bet **you** want to be here too:

- In the next 30 days, wouldn’t you sleep better knowing you have a phenomenal new financial cushion on which to rest your head?
- In the next 90 days, wouldn’t it feel great to pay your mortgage without wincing from the dent it makes in your bank account... because **suddenly** the dollars in your account are mushrooming beyond belief?
- What if in a short six months’ time, I can add YOUR photograph to my MLM Winners’ Gallery above? And just think: It will all start with the simple click of an Internet button today...

WAIT -- I’m getting ahead of myself. I haven’t yet explained who those home-based business tycoons are in the photographs, or how I learned the extra income earning secrets I’m about to reveal.

The people in the photos have two things in common. 1) They’re all stress-free, no longer worried about debt and expenses during these times of economic uncertainty. 2) They’re all members of my profit-pulling Network Marketing System. And I’m going to soon tell you how, **in less than one month**, you can fatten your bank account, too.

**But first, let’s gauge whether you have
the right mindset to even join this Exclusive Club...**

You see, many fascinating paths led all of us to this incredible money-maker. Some of us are homemakers who sought financial relief in a tightening economy. Some of us are talented young adults who dreamed of affording a life working abroad, helping less fortunate people in need. Many others, like myself, are former corporate executives, unfairly displaced by the unprecedented ripple of lay-offs.

I admit, I found myself down. But launching this exciting multi-level marketing (MLM) business showed me the way out. You see, in the so-called "good old days," there were times when I earned over \$25,000 a month writing mortgage loans. What was the secret to my success? I was a hot shot executive whose mark of distinction was leadership training and market development.

In other words: **I know how to triple and quadruple any investment. And my forte is showing others how to do it, too!**

I obviously didn't relish losing my high-paying financial industry job, but I'll always pride myself on something my old boss quipped during one of my reviews. "Jeremy," he said, "you really have a rare gift. You could teach a blind man to see!" I earned recognition companywide as a capable trainer. Everything I poured into my trainees showed them how to make untold millions for the company.

Two months later, the boss let me – the "sight-giver" – go. The economy had soured and everyone with a hefty salary was told to hit the bricks. So I applied my talent -- my ability to "teach the blind to see" – to a new business. And that, my friend, is what I want to do for you today:

**OPEN YOUR EYES TO A
MASSIVE PROFIT-PULLING OPPORTUNITY!**

I'll teach you the same system through which I now average **\$14,804 in income every month!**

(It's not the \$25,000 a month I once earned, but who's complaining?!)

Would you like to know the secret to my success? Well, I've streamlined a winning strategy for wealth creation. And every day, I'm showing more and more people like YOU how to do it, too.

What I'm presenting to you is a dynamic business building system that 1) leverages the nation's concerns about health care and wellness and 2) is designed to help anyone start turning **enormous** profits quickly! I can get your extra income churning fast, regardless of your previous experience.

So now here's the "test" of whether you're right to join the Club. You should think very seriously about this... I'm asking you a few simple questions for a very specific reason:

- ➡ Can you commit to make 5 calls per day, 20 days a month?
- ➡ And do the same with email and post card mailing?

That's it! Because if you can consistently commit to this simple schedule, my team and I will help you turn your efforts into an ongoing stream of residual income. Obviously, the more effort you put forth the more money you will make. But:

With as few as 20 customers you'll earn \$785 per month!

What will you spend your \$785 a month on to make life better?

Now, I also asked those questions about your time commitment because when you join, you're plugged into our National Advertising Campaign. If you don't have time to take part in following-up with all the people it attracts, there's no need of us wasting the

100 qualified leads I'll send you every month!

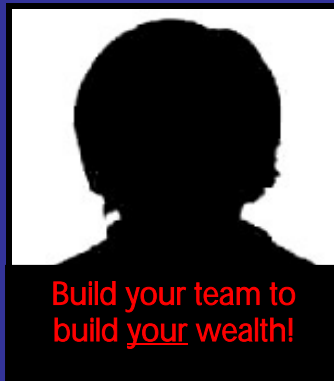

Click here to download my [FREE Report](#) and get all the details.

Note, I haven't even told you about our unparalleled life-changing products. Let this suffice for now:

We're making money on the frontline of what's destined to be a TRILLION DOLLAR industry. As for the \$500 billion industry that health and wellness currently is? **We're already in on the ground floor!**

This healthy lifestyle product is something of a wonder, and it's in VERY high demand. You'll read all about it in my Free Report.

It's unbelievably easy and affordable to get started with this **non-stop money machine**...

Get a load of your pay-out once your group starts to grow and builds momentum.

In this economy, everyone else wants to earn extra income, too:

☎ When your group grows to 6 people and 2 of them get 2, you earn **\$212 per month.**

👤 Enroll 4 people who each enroll 4 others, and now you've got a group of 20 making you **\$785 better off every month!**

📄 Get 20 people who each enroll 4 others, and you can quit your day job. You now have a sale team 100-strong, blazing you a profit trail of **\$3,925 each month to burn!**

➔ Now imagine the BIG picture. Build your team to 252 with 36 who each get 6 and away you fly! Your group of 252 people is generating **mega** residual income for you of **\$10,305 every month... That's \$123,660 per year!**

Staggering possibilities, aren't they?! And right now – for a limited time only -- you can grab **your Top Slot setup** inside this fast-expanding MLM membership club, totally affordably.

So if you're ready to change your financials in a flash, here's how it starts...
